

Hi Pharmacist,

This handout is to help you interact with your patient. Our patients benefit from the following enclosed tools:

1. My Favorite Pharmacist
2. How can you talk to me?
3. What do I like to do?
4. Patient Goals
5. Patient may provide Traffic Light

Communication Aid:

- a. **Red:** "I do not know what you are saying."
 - b. **Yellow:** "I am confused, slow down."
 - c. **Green:** "I understand, keep going."
6. Adjusted Prime Questions

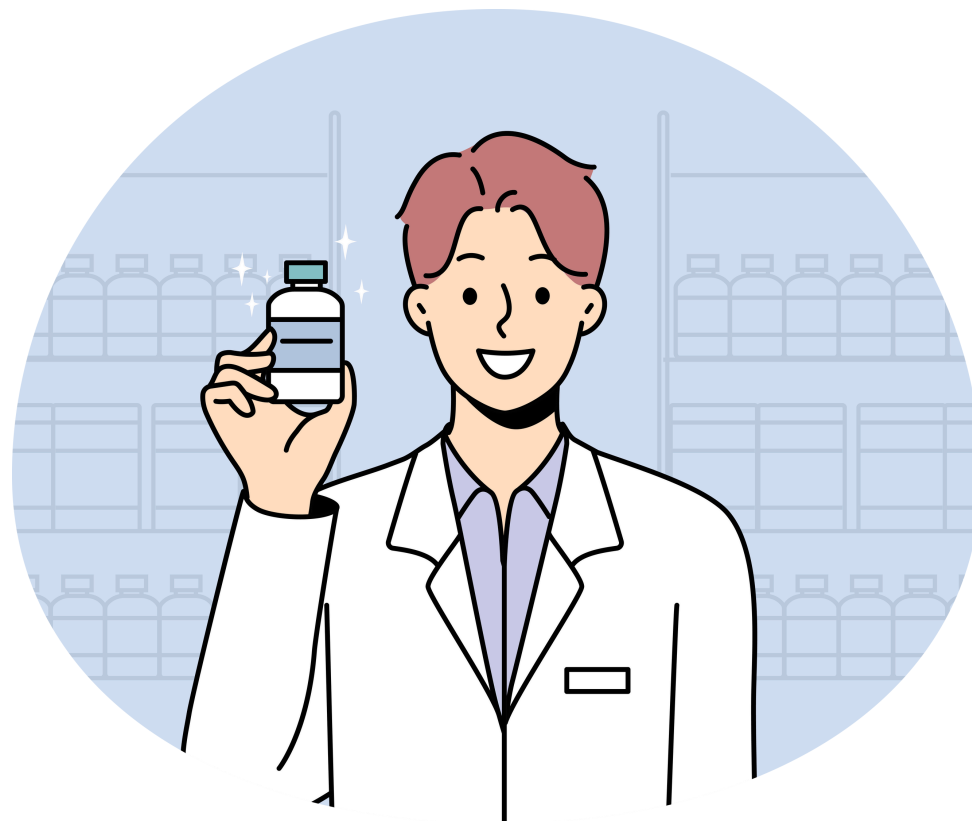

Adjusted Prime Questions

1. How do you take your medication?
2. How did the doctor say you should take your medication?
3. Do you know how long it will take for the medication to work?
4. Do you know if this medication can cause other problems?
5. Do you know why you're taking this medication?

Please return the handout back to the patient
